

About the experts

Marie Lampe

Marie Lampe studies German and Journalism and since 2020 has been active with the Sozialheld.de in promoting participation in the cultural sector. Her focus is on digital and spatial accessibility and dealing with visitors with disabilities. In addition to her work at Sozialheld.de, she is also active in the German Association for the Blind and Visually Impaired, where she advocates for the needs of young blind people.

Holger Dieterich

Holger Dieterich is a board member of the non-profit association Sozialhelden e.V. A graduate designer, he advises and sensitises people, institutions and companies on thinking about people with disabilities as a target group for a wide range of products and services and including them at an early stage. This applies to the entire experience, both technically and communicatively.
